

QUATUOR ADASTRA

REFLECTIONS OF SPAIN

Under the banner of Iberian colors and rhythms, the Adastra Quartet joins virtuoso guitarist José María Gallardo del Rey for a musical journey with flamenco accents. Renowned as one of the most inspired heirs of the great Spanish tradition, Gallardo del Rey presents a new, incandescent quintet, infused with the energy and sensuality of the popular dances of his homeland.

In contrast, his first quintet, *Altamira*, now considered a landmark work, unfolds luminous soundscapes full of fervor and lyricism. Guitar and strings merge in a dialogue of rare intensity, blending virtuosity, passion, and refinement.

A program in which every note evokes the warmth, color, and depth of the Spanish soul.
